# CHINEDUM CHIEMELA

## WEB DEVELOPER

**Phone :** +2348034503911, | **Email :** [chiemelachinedum@gmail.com](mailto:chiemelachinedum@gmail.com), | **Web :** [ccmelas.github.io](https://ccmelas.github.io)  
**Github :** [github.com/ccmelas](https://github.com/ccmelas) | **LinkedIn :** <https://www.linkedin.com/in/chiemela-chinedum/>  
**Address :** I Khana Street, D/Line, Port Harcourt, Rivers State

## ABOUT ME

I am a web developer passionate about providing efficient solutions to problems through code. I develop majorly for the web. I, however, tinker with mobile apps on the side and will love to explore the field of data science. I can work efficiently as a member of a team or solo. I love learning.

## WORK EXPERIENCE

FEBRUARY 2017 - CURRENT

### Web Developer

*Olotusquare, PortHarcourt, Nigeria*

- Build websites for external clients and work on in-house tools.
- Manage company legacy and active projects.
- Collaborate with other developers to deliver projects on time.

AUGUST 2017 - JANUARY, 2019

### Lead Developer

*Olotusquare, PortHarcourt, Nigeria*

- Take ownership of the development process, ensuring good design principles are adhered to.
- Drive team capacity growth.
- Ensure projects are of acceptable quality and delivered on time
- Improve team efficiency through collaboration

MAY 2018 – DEC 2018

### Web Developer (Remote)

*Favcode54, Tulsa, Oklahoma, USA*

- Design Responsive websites as needed by the company.
- Research and implement elegant solutions to enhance performance of existing web applications.
- Collaborate with other developers to meet company goals and deadlines
